- Power For All Alliance: the battery pack is compatible with many Bosch products (green product line), as well as several other brands. Bosch stands for quality, and we strive to ensure the best quality for all our products. That is why Bosch rechargeable batteries undergo several high quality tests before they are launched on the market. However, frequent use over a longer period of time will cause the battery capacity and thus the runtime of the device to decrease. Should this occur within the first year of purchase, we provide a full warranty on the battery.
- Runtime per 4.0 Ah battery pack:
Up to 65 min. on Eco mode with non-electrical accessory Up to 55 min. on Eco mode with electrical floor nozzle Up to 20 min. on Auto mode with electrical floor nozzle Up to 10 min. on Turbo mode with electrical floor nozzle
